- | | |
|--|---|
| <ul style="list-style-type: none">• ecology of crops, vegetable and medicinal plants• botany and phytocoenology• genetics and breeding• growing technology and products` quality• meadow and grassland management• floriculture | <ul style="list-style-type: none">• environmental protection in agriculture• organic production (round table)• crop protection• seed science• economics of production• food safety |
|--|---|

Call for participation and papers

We kindly invite you to send your abstracts by 30 June 2017 through the [Registration form](#) to e-mail (agroin@agrif.bg.ac.rs). The abstracts accepted by Programme Board will be published in the Book of Abstracts. The complete papers can be submitted through Symposium Organisers to "Journal of Agricultural Sciences" (whose publisher is the Faculty of Agriculture, University of Belgrade, M51).

Types of Presentation

Upon submitting the paper, the author has the possibility to propose the type of presenting paper (oral or poster). The organiser retains the right to decide on the final type of presenting certain papers. The authors will be notified of the paper acceptance and type of presentation by 05 July 2017.

VIII SYMPOSIUM with international participation
`Innovations in Crop and Vegetable Production`
Z e m u n, 19. and 20. October 2017

Venue and Time of the Symposium

The Symposium will be held in Zemun at the Faculty of Agriculture, University of Belgrade on 19. and 20. October 2017.

Registration Fee

The registration fee is 20 € (2,500 RSD) per participant. The registration fee can be paid via current account or upon the registration of participants. Detailed information on payment will be forwarded in Second Announcement.

Sponsorship presentations (advertising space)

We invite all interested companies and institutions to take the opportunity to introduce themselves to the participants and through advertisements in the Book of Abstracts, oral presentation, presentations in the hall for sponsors or in some other way in agreement with the organisers.
