

Department for Fruit Science, Faculty of Agriculture, University of Belgrade
organize

8th Conference “Innovations in Fruit Growing”

Conference topic:

"Modern measures to improve fruit storage"

Programme of the Conference

8:30-9:30 Registration of participants

9:30-9:40 Opening of the Conference - Opening speech by host and participants of the Conference

9:40-12:30 INVITED LECTURES

Đurović, D. Milivojević, J., Đorđević, B. - *University of Belgrade, Faculty of Agriculture, Serbia*
Application of modern cultural practices in fruit production to improve fruit quality and shelf life

Zanello, A., Ebner, E. - *Experimental Center Laimburg Ora (Bolcano) Italia*
Interaction of harvest window and storage system regarding quality and fruit loss prevention

Zlatić, E., Vidrih, R. – *Biotechnical Faculty, University of Ljubljana, Slovenia*
Pre and post harvest means to improve fruit red overcolor

11:45-12:30 Coffee break

12:30-14:00 INVITED LECTURES

Manganaris, G. – *Cyprus University of Technology, Cyprus*
Cold storage management protocols and mitigation measures to combat physiological disorders of fruit crops with different storage potential

Vico, I., Vučković, N., Duduk, N. – *University of Belgrade, Faculty of Agriculture, Serbia*
Postharvest diseases of fruit

14:00 – 15:00 LUNCH

15:00-17:00 LECTURES

Cucchi, A. - *AgroFresh R&D Manager; Milan, Italia*

Management of ethylene in the coldstore using smartfresh protabs and harvista in the orchard

Barać, G. et al. - *University of Novi Sad, Faculty of Agriculture, Serbia*

Effect of thinning on fruit quality of three apple cultivars after storage and shelf life

Korićanac, A. et al. - *Fruit Research Institute, Čačak, Serbia*

Modified atmosphere packaging of fruits of two european plum cultivars: effect on physical, chemical and sensory properties

Milović, M. et al. - *University of Novi Sad, Faculty of Agriculture, Serbia*

Change of apricot fruit firmness during storage in addition of pre- and post-harvest treatments

Fruk, G. et al. - *University of Zagreb Faculty of Agriculture, Croatia*

Edible coatings and mandarin fruit quality

17:00-17:30 Discussion

GENERAL INFORMATION

- Oral presentations will be held at Great Hall of the Faculty of Agriculture.
- In the hall of 115-116 (first floor of the old building) will be organized cocktails, exhibition of the sponsors and a poster presentation.
- The registration fee for participation in the conference is 2.000,00 RSD and includes listening to the lecture, Proceedings of the counseling (130 pages), lunch and refreshments during the coffee break.
- The registration fee can be paid to the account number 840-1872666-79 (the purpose of payment of the registration fee) or on the spot before the start of conference.
