

Po uspešnom logovanju na Microsoft Office 365 A1 platformu, dobija se panel sa raspoloživim aplikacijama i servisima. U okviru datog panela prikazuju se i aktivni saveti za upotrebu:

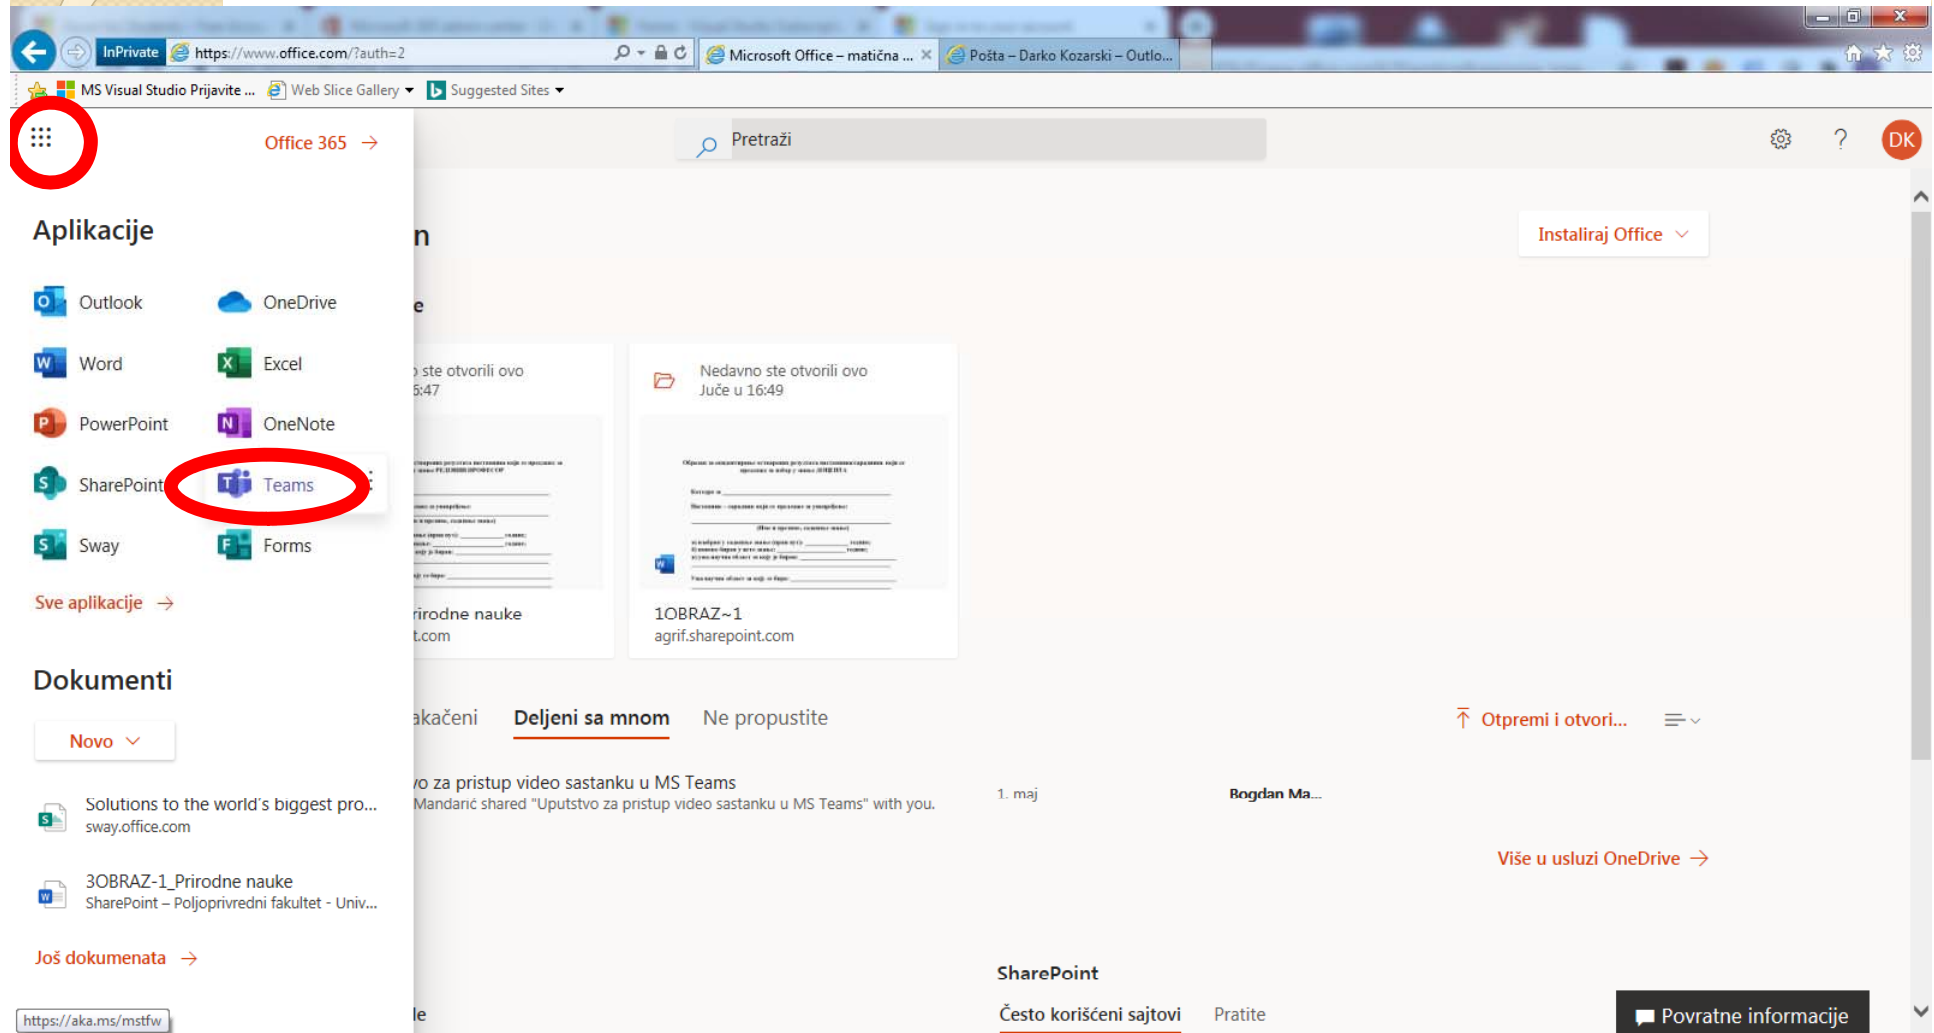

The screenshot displays the Microsoft Office 365 A1 platform dashboard. The interface includes a top navigation bar with the 'Office 365' logo, a search bar labeled 'Pretraži', and user profile information. The main content area is divided into several sections:

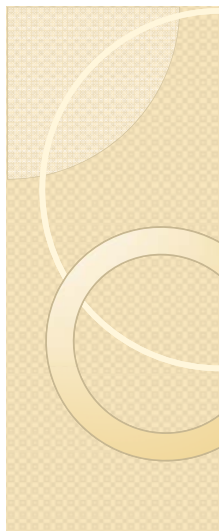

- Left Sidebar:** Contains icons for various Microsoft 365 applications, including Word, Excel, PowerPoint, Outlook, OneDrive, and Teams.
- Top Right:** Features a search bar, a settings icon, a help icon, and a user profile icon.
- Central Tiles:** Displays several application tiles, including 'Documents', 'OneDrive for Business', and 'SharePoint'. Each tile shows a preview of the application and a rating (e.g., '4. avg').
- Bottom Right:** Includes a section for 'SharePoint' with the text 'Često korišćeni sajtovi' and a link to 'Idi u SharePoint'. Below this is a section for 'Nema često posećivanih sajtova' with a link to 'Idi u SharePoint'.

Three orange callout boxes are overlaid on the dashboard, providing tips and recommendations:

- Top Callout:** 'Napravite nešto novo' (Create something new). It encourages users to click the '+' button to start a new document or file. It includes a 'Sledeće' (Next) button.
- Middle Callout:** 'Napravili smo neka poboljšanja' (We've made some improvements). It informs users that applications have moved or been updated, making them easier to access. It includes a 'Sledeće' (Next) button.
- Bottom Callout:** 'Istražite sve svoje aplikacije' (Explore all your applications). It encourages users to click the 'All applications' card to see all Microsoft 365 applications. It includes a 'Razumem!' (I understand!) button.

Klikom “nav-bar” na kvadratić sa devet tačkica, dobija se padajući meni sa prikazom glavnih Office 365 aplikacija i servisa. Za početak je neophodno pokrenuti Teams, klikom na ikonicu:

Po pokretanju Teams-a, otvoriće se nov prozor u pretraživaču sa ponuđenom opcijom preuzimanja Teams aplikacije.

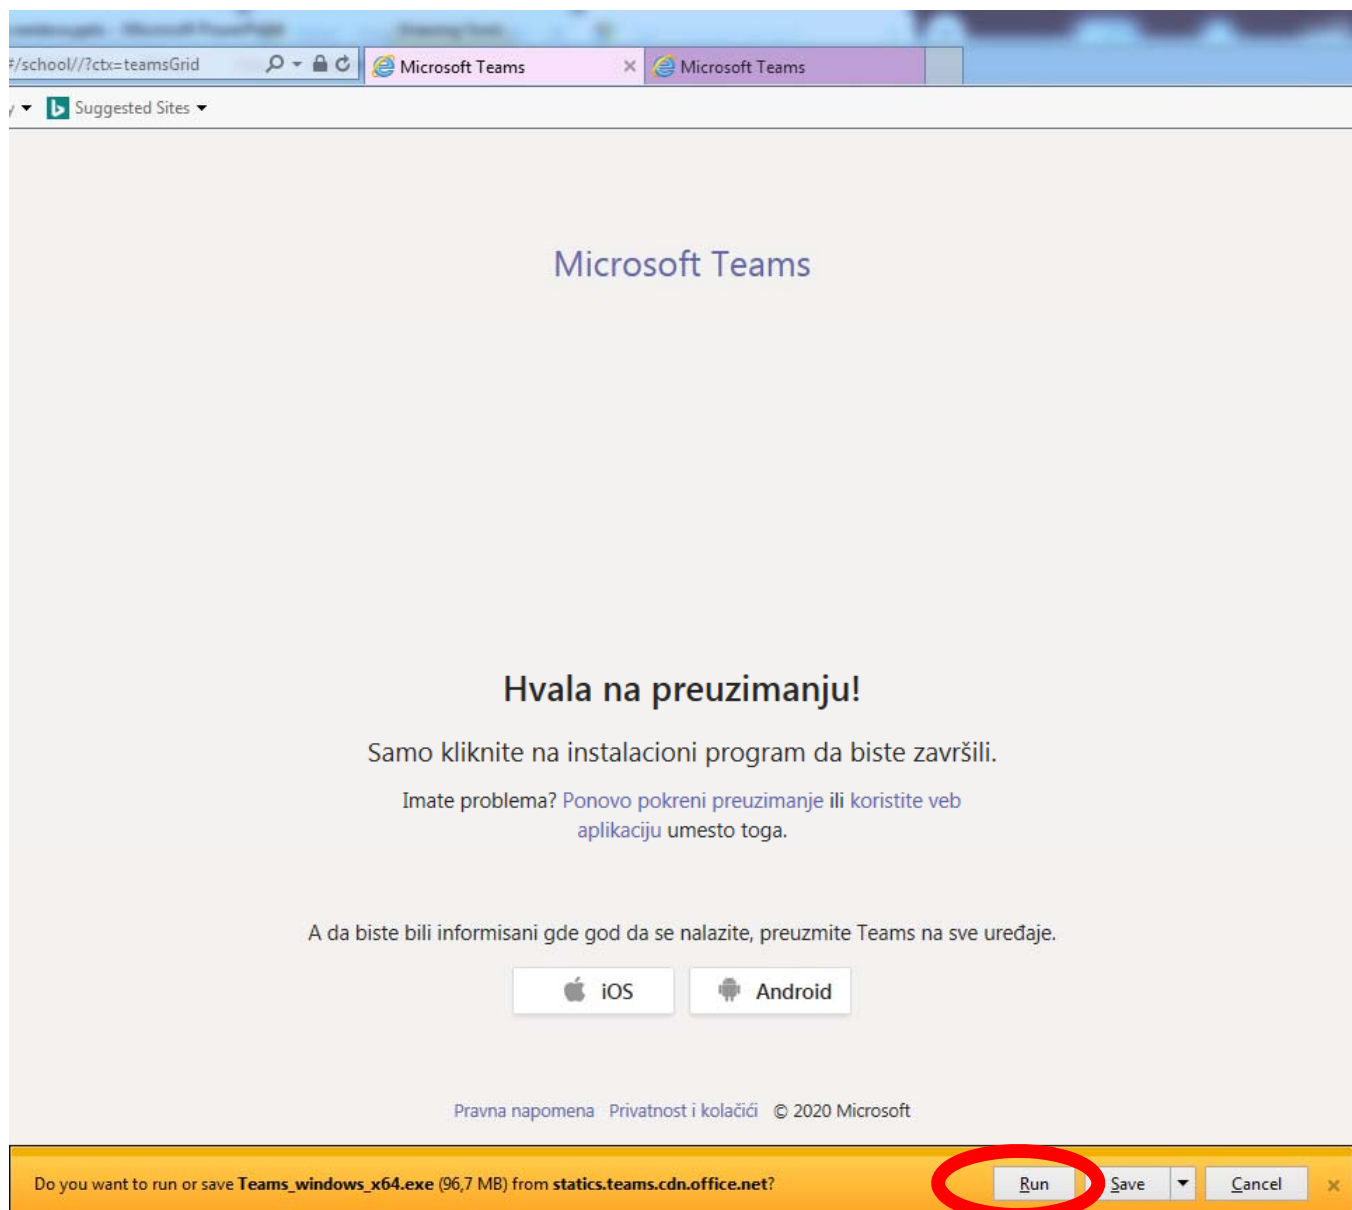

Opciono Teams se može pokrenuti i preko web-a, odabirom opcije: Koristite veb aplikaciju ...

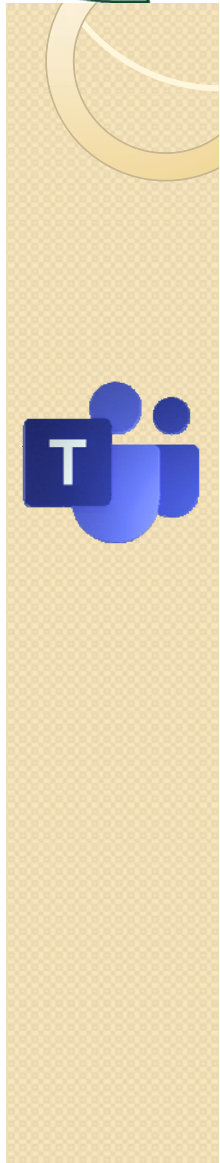

Preporuka je da se preuzme Teams aplikacija i instalira na računar, tablet ili telefon.

Odabirom opcije za preuzimanje Teams aplikacije, na računar se automatski usnimava instalacioni program kojeg pokrećemo klikom na dugme Run:

Po završenoj instalaciji Teams aplikacije, pojaviće se prozor u koji treba uneti svoje kredencijale koje koristite za pristup Office 365 A1 platformi:
